

I work with Third Sector Partners, a global boutique search firm in the Not for Profit sector. We have been retained by TCI Foundation to recruit their Program Officer.

Do let us know if you have any colleagues or acquaintances who might be interested in the role.

TCI Foundation is the social arm of Transport Corporation of India Limited (TCIL). TCIL is a pioneer in the sphere of goods transit in India and is India's leading multi-modal integrated supply chain solutions provider.

As part of the Bill & Melinda Gates Foundation's India AIDS Initiative, Avahan, the TCI Foundation is implementing Project Kavach, a \$12.26 million project initiated in January 2004, to prevent the spread of HIV/AIDS among long distance truckers in India. The project is presently operational at 19 large intervention locations across India.

Additionally, NACO, as part of its NACP III, has prioritized HIV prevention among truckers as a key programme component and intends to launch the trucker program as a single national-level project to target long-distance truckers. NACO proposes to set up a National Trucker Consortium to design, manage and monitor national trucker interventions to halt the spread of HIV among the truckers. TCI Foundation, in partnership with All India Motor Transport Congress (AIMTC), has been selected by NACO to manage the National Consortium.

For the position of Program Officer we are looking for individuals with the following experience:

- Post Graduate degree in Social Science/Public Health/Social Work; with 5–8 years of relevant experience of working on HIV/AIDS prevention programmes/projects.
- Experience in providing technical support in project planning, implementation & monitoring (project based milestones); to partners like SACS, NGOs and other implementing agencies.
- Excellent relationship management skills; with experience of working with government agencies.
- Excellent written and oral communication skills in English & Hindi.
- Problem solving and decision making skills.
- Prepared to travel frequently in the region.

The position will be based at multiple locations to further expand the team – Mumbai, Hyderabad, Ahmedabad & Guwahati.
